March: Family Sharing Night

Family and community night will be held in the first couple of weeks of March during the evening, at the elementary. Feel free to come look around at any of the projects the students have done. You may come and go as you please. Refreshments will be served. There will be more information as time gets closer.

Instead of a website there will be a blog this year. It is an interactive blog, so feel free to post comments! The URL for it is:

<http://panoramareads.blogspot.com/>
